

Fees – January 2024

Every patient has different dental care needs. In order to provide a proper diagnosis of your condition, we would need to do a thorough examination with all the necessary x-rays. Your treatment costs will depend on the condition of your teeth and gums, the treatment recommended and the options you choose.

Should you require any further information, please do not hesitate to ask a member of staff.

The following are indicative prices for some of the most common treatments.
